Charlie is reading an e-mail from his friend, Zoe. Read it carefully, choose the best answers for Questions 29-34 and complete Question 35.

From : Zoe Crowley <zoe@happymail.com>  
To : Charlie Wong <charlie@joymail.com>  
Subject : Updates on my life!

Dear Charlie,

We haven't talked to each other for a while. How have you been?

After I returned to England, I joined a cheerleading competition which is going to be held in late July. I have been busy training for it and therefore I didn't write back to you soon enough. My teammates and I have to stay after school to practise different cheerleading moves. After that, I spend half an hour stretching before I return home for dinner. At night, I spend around two hours doing my homework. **Such a daily routine** really tires me out, but I don't want to give up. I really hope our team can win the competition in the end. We still have two weeks to prepare for it!

Not sure if you know this, but there is a new member in our family! Do you remember my cat, Maddie? She gave birth to two baby kittens with fluffy hair last week! Mum gave the white kitten to our neighbour and kept the grey one. We named her Madison because she looks just like her mother! She has big round eyes and a long fluffy tail. I bought her a blanket so that she can stay cosy all the time. She looks really adorable when she is wrapped up in it!

You know what, Charlie? Last night, my parents suggested going to Macau for a family trip this Christmas holiday. I would like to invite you to be our tour guide, since you have been there a dozen times. We would like to visit Macau Tower for the thrilling Skywalk and try some Portuguese custard tarts at a local bakery. You can bring us to other famous tourist spots too!

Looking forward to your reply!

Yours,  
Zoe
